Common ground

Take inspiration from Japanese design with simple forms, restrained neutral colours and clever functionality. Balance light timber and rattan to create a calm ambience. Combine saturated and matte earthy tones with curved and padded forms, to create a sense of warmth and comfort. Colours encompass a desirable spectrum of off-whites, sandy hues, camel tones and oatmeal shades.

IN THE SHADOWS

There is something enigmatic and sophisticated in shadowy hues. Bold and striking, masculine and contemporary. Stick to a dark palette of blacks, greys and metallic accents of chrome and nickel to reflect the light.
