Hello, we're Dann Event Hire.

Creative design. Extraordinary events!

Since launching in 2005, we've done things a little differently. As a forward-thinking event hire company, our process is less catalogue-pointing and more dream-building. We are thinkers, dreamers, inventors and a little avant-garde. Each year we break new ground, designing and manufacturing swoon-worthy new ranges. Our clients expect nothing less.

We're driven by pushing the limits and working outside of our comfort zone to do what we do best: create the unimagined for our clients.

MEET RIVIERA

**mid-century french**  
**indoor / outdoor**  
**relaxed**  
**sophisticated**  
**playful**

---

With the summer breeze in our hair and a chilled rosé in hand, our sun kissed souls long to be basking in the European sun.

The undeniable appeal of the French Riviera is it's relaxed yet sophisticated aesthetic. By paying homage to the timeless nature of French Mid-Century design, this collection aims to embody the deep cultural values of the Mediterranean coastline.

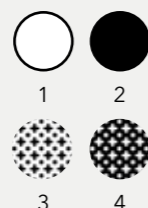

The key was to find a simplistic balance between the iconic embellishments, vibrant pastels and playful forms that are often seen along the Côte d'Azur. Complimentary materials have been carefully refined to add further depth and complexity to each piece.
